

Hume School Song

We belong to Hume School,
We're like a family.
Everyone's so positive and we always show responsibility.
We respect the environment, ourselves and all we see.
We respect the rights of all, we're a great big family!
All together now:

Hume School with fair rules, (clap, clap)
That's the place to be.
Hume School's a safe school, (clap, clap)
We live in harmony.
We work hard and do our best,
Learning is the key.
So Hume School with fair rules,
That's the place to be!
